

Credit Portfolio Risk Dashboard

We put all of your organizations lending assets into one easy to use application for understanding credit risk.

You will know more about the influence of clients and relationships on your portfolio risk stratification that you have ever known before. Our application helps you to easily identify the products, industries, and locations that are contributing most to portfolio risk. You will understand the drivers of delinquency and non-performance and be able to act on them.

Measures

- Outstanding Balance
- Delinquent Balance
- % Delinquent Balance
- Non-Accrual Balance
- % Non-Accrual Balance
